

2025 Ten Outstanding Young Americans Nomination Form

Overview

The Ten Outstanding Young Americans (TOYA) program serves to recognize up to ten individuals between the ages of 18 and 40 who exemplify the best attributes of the nation's young people. Nominations are received in each of the ten categories listed below.

Honorees selected in past years have represented the heights of progress in all human endeavors. Many have gone on to even greater achievements. All have continued to serve humanity in a great variety of ways.

JCI USA will honor the Ten Outstanding Young Americans each year at the TOYA Ceremony during the JCI USA National Meeting held in September/October. The ceremony will highlight each winner's career in narrative form and provide a stage from which the honorees can challenge and inspire young people from around the world. For each honoree, there will be a video presentation profiling his or her accomplishments, followed by the trophy presentation, and an acceptance speech.
